

## Calling All BAMS Parents!

Make a difference and join a winning team  
of parent volunteers!

BAMS is an outstanding school because of the various campus programs. These programs can't happen without your help. The Parent Teacher Student Association at BAMS encourages ALL parents to volunteer, regardless of whether you choose to join PTSA.

Check any and all categories in which you may be interested in contributing a bit of your valuable time and talent.

**Your help is greatly appreciated!**
