

BAMS BUSINESS SPONSOR PROGRAM 2018

www.bamsptsa.com / www.facebook.com/BAMSPTSA Tax ID # 33-0799955

Dear Friends, Families & Community Business Partners,

Please support Bernice Ayer Middle School's
ONE BIG fundraiser of the year: STEP IT UP!

Together PTSA and ASB spend over \$100 per student annually to provide educational and technological support ensuring our students and teachers have what they need to succeed!

Last year we raised almost \$70,000 and began many on-going projects such as updating the MPR Sound system where we have school wide events, updating the Library with new modern furniture, chrome books to check out, and new, current books, and updating the classrooms with new overhead projectors for classroom instruction, and of course supported all departments, teachers and staff!

This year, our goal of \$95,000 will support the ongoing purchase of new overhead projectors in each classroom, we will continue to update our library with modern, comfortable furniture, printer stations for all students to use, chrome books for students to check out for use in the library, and to continue to support all educational departments including Art, Drama and Music, our PE department, and our amazing teachers and staff.

We cannot accomplish our goal without your support! Please review the sponsor options on the graph below. No donation is too small! We appreciate any support you can offer...

Sponsor Benefits	Bronze \$150	Silver \$250	Gold \$500	Platinum \$1000	Diamond \$1500
