Dear Friends, Family & Community Business Partners,

Please help Bernice Ayer Middle School to raise funds.

Thanks to our community partners, we have completed our school surveillance system to protect our children and staff, purchased projectors for in classroom instruction, Chrome-books for in class instruction, new books for the library, a new sound system in our MPR and of course supported our amazing teachers.

This year we continue to raise funds to support Educational Programs, our library and to support our educators that would otherwise not be possible without funds from our community partners.

Please review the sponsor options on the graph below. We appreciate any support you can offer.
