

# Together, PTSA & ASB support our school with funds raised...

Average cost per student each year:

**\$100**

We need your support...

Some of our larger expenditures include:

- **Technology** includes our Surveillance System, Chromebooks, Computers, overhead projectors, etc.
- **Department Support** includes Math, English, Science, Special Education and Social Science. These funds allow departments to purchase items and classroom materials necessary to keep up with the current standards.
- **Teacher Supplies** give our teachers funds necessary to purchase journals, paper, pens, etc. that would otherwise come out of their personal finances.
- **PTSA & ASB Expenses** include our annual insurance, Legislative needs, our website, supplies including flyers and banners, hospitality so we can show appreciation to our teachers & staff, taxes and bank charges.
- **WEB** is our "Where Everyone Belongs" program where 8<sup>th</sup> grade students mentor 6<sup>th</sup> Grade Students. This money allows for training and supplies.
- **PE Dept.** allows PE to purchase new PE equipment for the school as well as keep updating our current workout room. Our PE Dept. will be introducing a program using the technology of heart rate monitors this year.
- **Art funds** Drama, Choir, Instrumental Music and Reflections.
- **Library** funds purchases new Library books used by over 900 of our students daily. We are also looking at updating our library in the upcoming years.

Please consider becoming a Breaker Backer or Participating in this Fall's Step It up Fundraiser!

Your donation will help fund necessary supplies, technology and programs enhancing your child's educational experience at BAMS!
